To the best "St. COUNSELOR" that central
had ever had - or ever will have - instead of
seeing only one side and looking at our point of
views and problems, you have stood on our side and
have seen our point of views and problems.
Counselors like you more than any other
faculty member of any other school, but not
only that, I like you as a friend first person.
See you in the future.

Mr. B;

This year you have helped me so much. I really would like to thank you for that. I'm glad that I got to know you, because it is always good to meet other "Tigers," "War Eagle!" In the future Be Good, and take care.

Sincerely,
Ricky
Sr. '76

Mr. Bedford,

You don't know how you have helped me improve myself. I have made drastic improvements both academically and socially. I really don't believe I could have done it alone, and I wanted you to know that I am grateful. You have helped me set goals that were impossible for me to picture a year ago. Now, thanks to you, I am convinced that my life has meaning and I have set goals which I intend to complete. I have proved to others that I am capable of handling tasks that they would have thought were impossible for me. This letter is really just a mere thank-you note, but what do annuals do anyway. They lift your ego. Best wishes for your future. Todd Miller

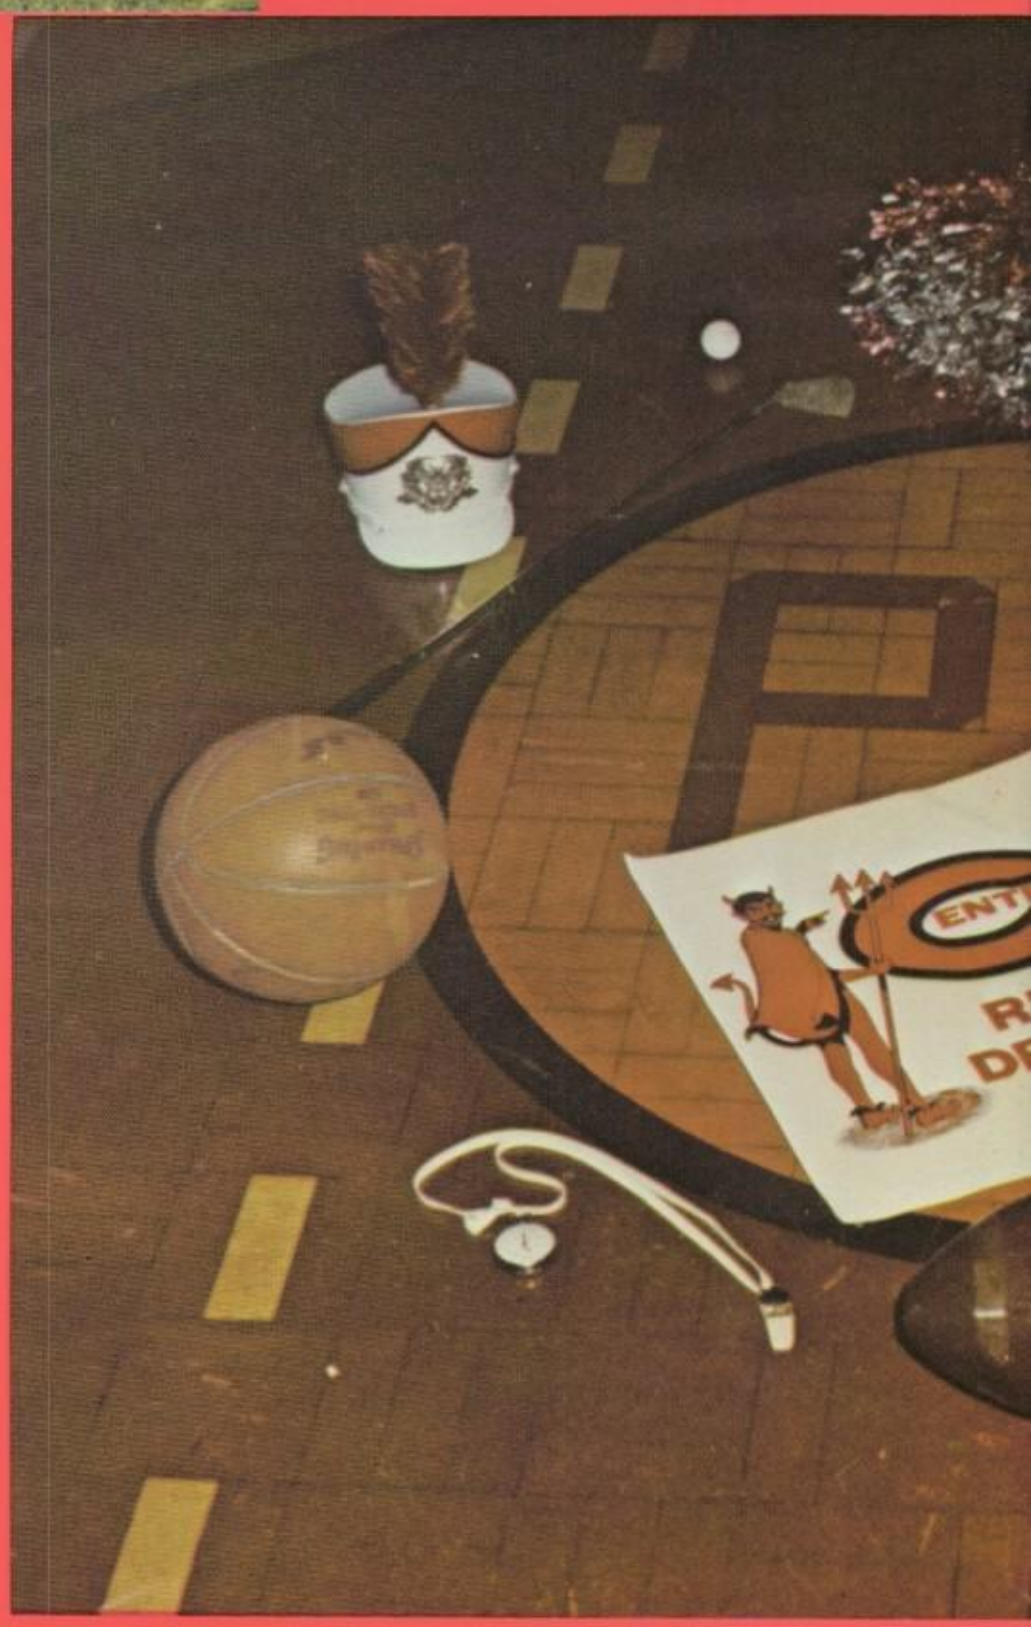
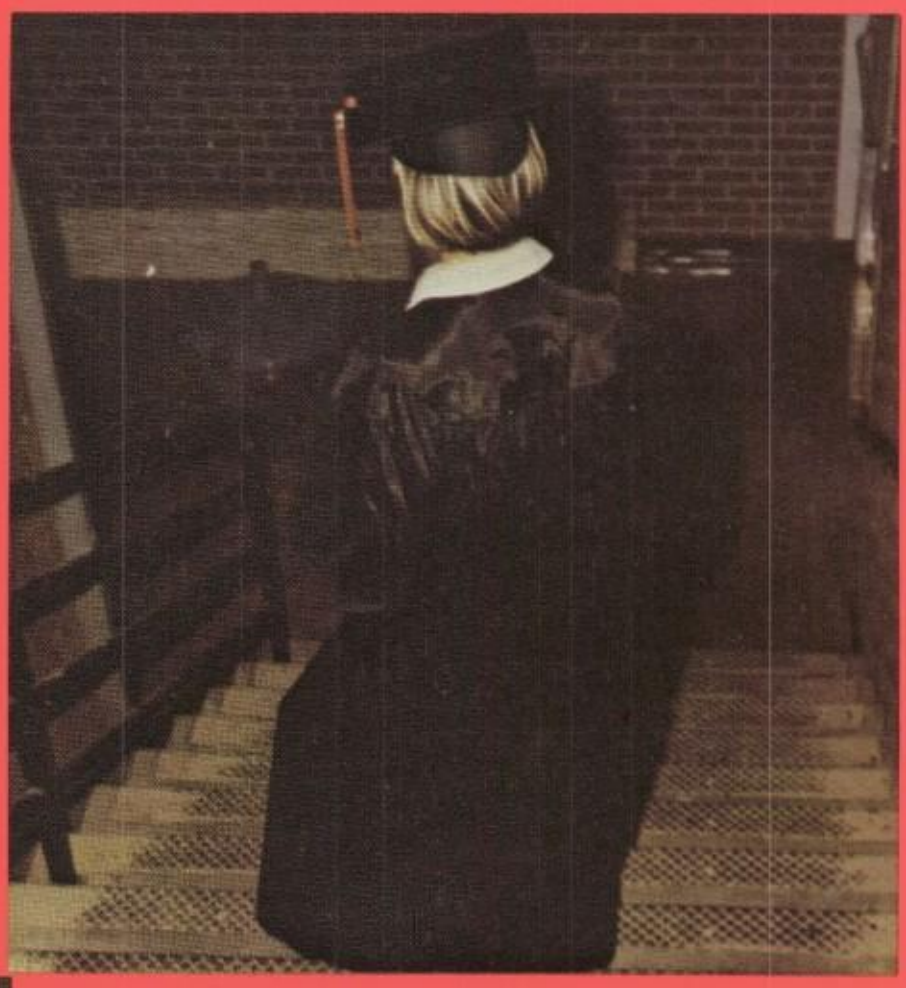
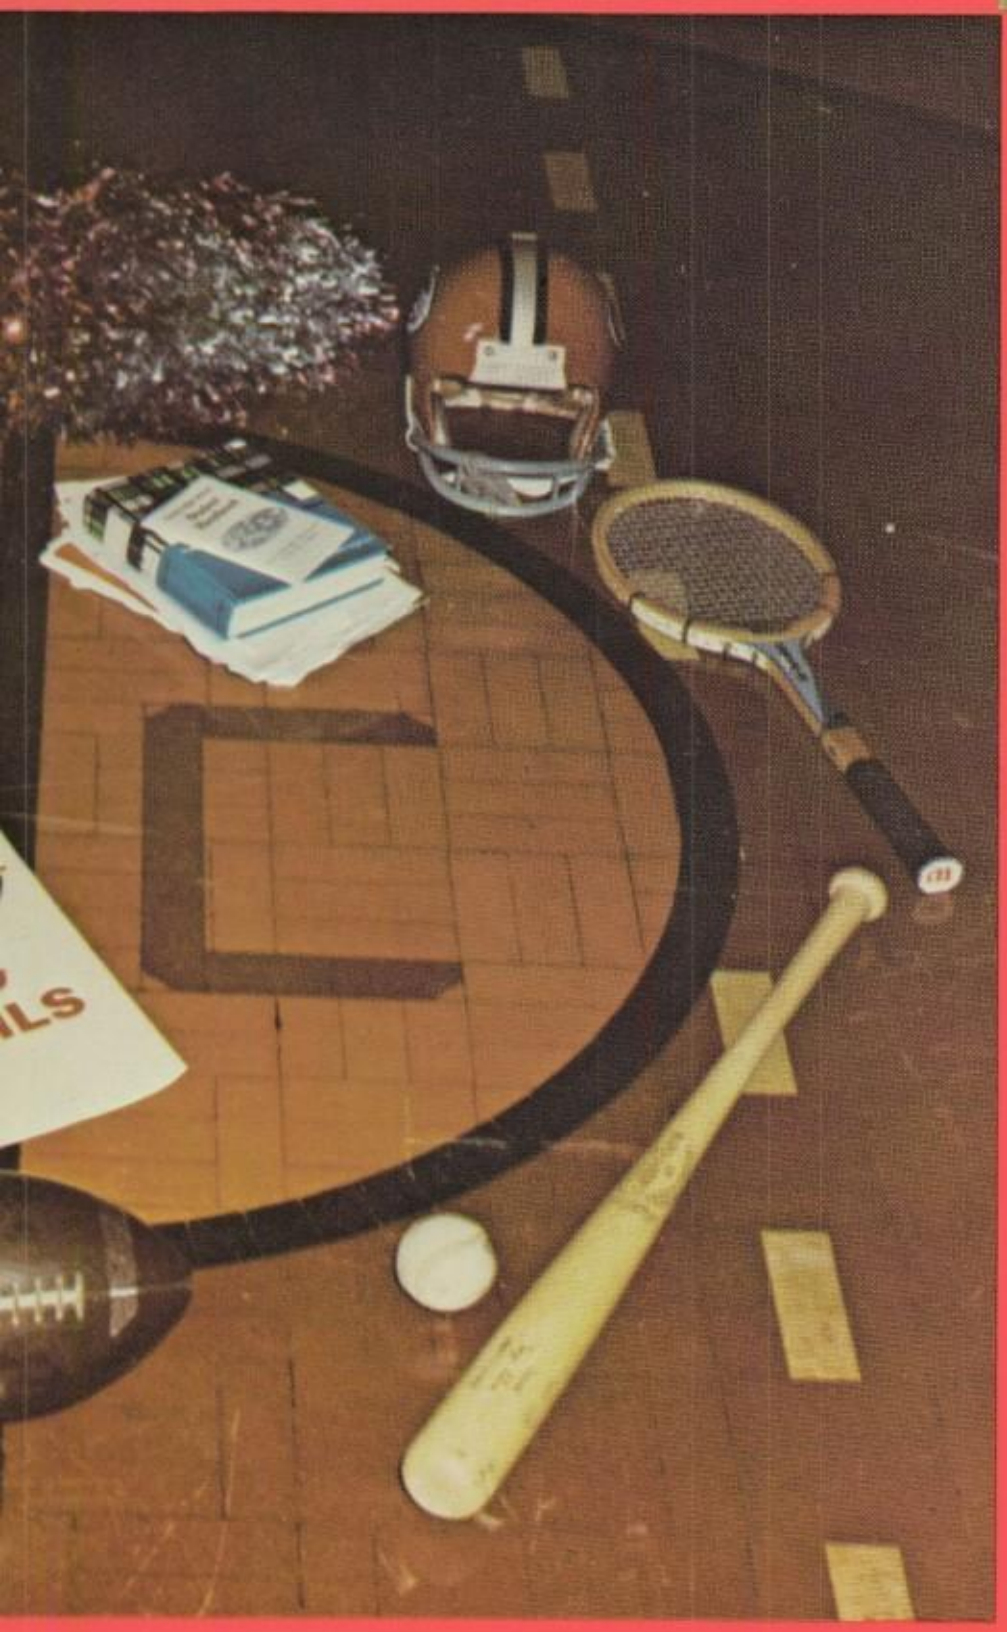
Central Alma Mater

Fair Central, Alma Mater Dear,
Our hopes, our fears are thine;
Round all thy children,
far and near
Thy Arms entwine.
We cherish thee in faith
and hope;
To thee our laurels bring;
In tribute of our loyal love
This song of ours we sing.

Led by the glorious
Red and Black
We'll all our Vic'tries share.
Spurred on by honors
radiant Star
We do and dare
In purest, sweetest harmony
Our voices now we raise
And join with swelling
melody
To sing our high school's praise.







The student body of Central High displays the school spirit that is such a vital part of high school; they keep alive the traditions that have been handed down through the years; they give our school the name she so proudly wears. This then, is

Central High School.

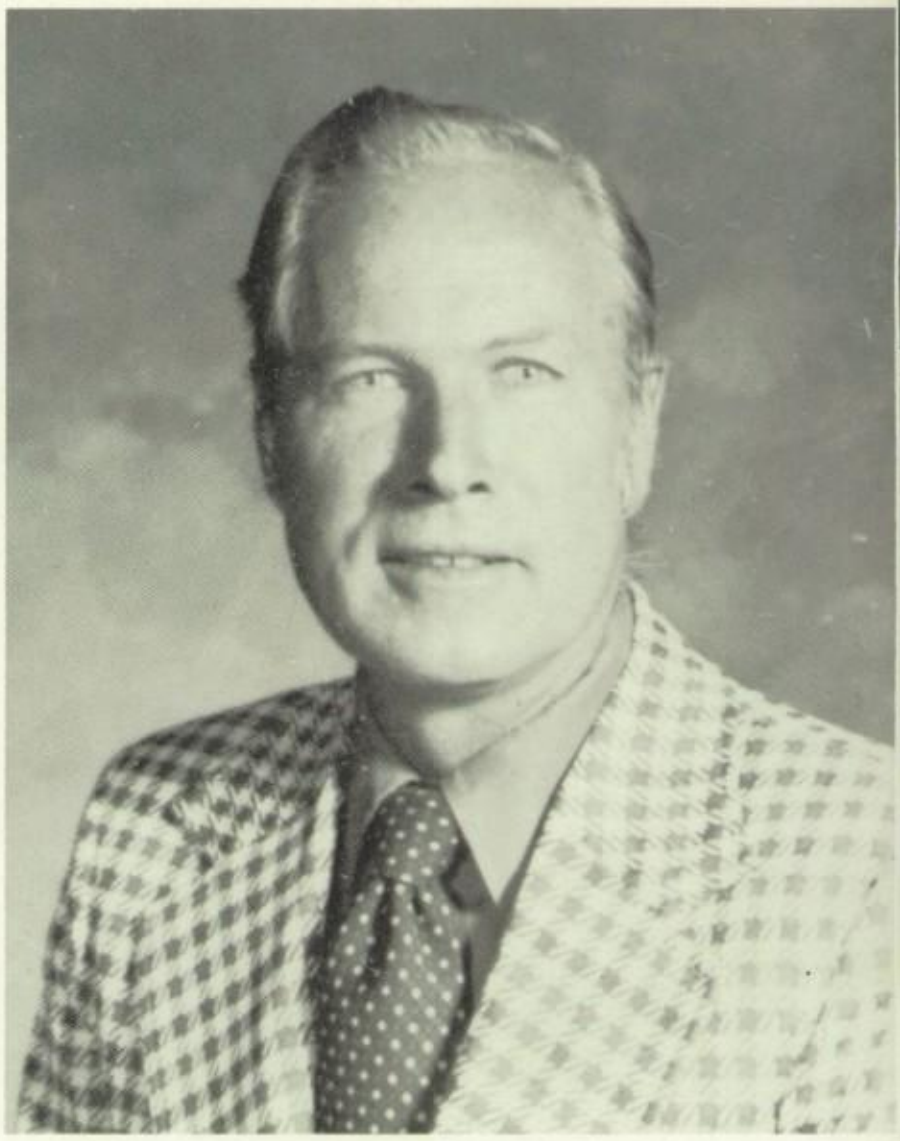
CENTRAL PRINCIPAL

Mr. Otis D. Kirkland has been principal of Central High School since 1970. His concept for alleviating many of our social and economic problems is total education. Somehow, education has been allowed to take a back seat in the vital race for economic, social and mental development. He believes that, while education is not a cure-all, it creates a means of eliminating poverty, unemployment, and crime. It enhances community relations, brotherly love, sound government, and a greater interest in human welfare.

"Pride in our school raises morale of teachers and students. Pride leads to as much assisting as there is desire for assistance; as much a desire to listen as there is a desire to 'sound off;' as much problem solving as confusion creating. In general, there would be no communication gap. Gaps of any kind only occur where there is a weakness in the existing system."

"We of Central High are of one mind, one body, and one goal. Only by pulling together as a team, each mindful of the other in a concerned spirit, can a total education program be realized. Only by unity of the members of this body will the community be drawn in as an ally of education. Only then will the education system successfully fulfill its mission."



Mr. Otis D. Kirkland, Principal

Mr. Richard Lowe, Assistant Principal

SOUTH GIRARD PRINCIPAL

Mr. Floyd Worthy, Principal

Mr. Worthy has been involved in some phase of education for many years. He graduated from Central High School and attended the University of Alabama. He received his B.S. and M.S. degrees from Auburn University, where he later received his professional degree. He taught at Lyman Ward Academy. He also taught math at Central Jr. High and Social Studies at Central High. He coached football at Central High School for seven years and served as annual sponsor for eight years.

Mr. Worthy served as assistant principal at Central High School for eight years. He then served as curriculum specialist for two years at South Girard High School, where he is now principal.

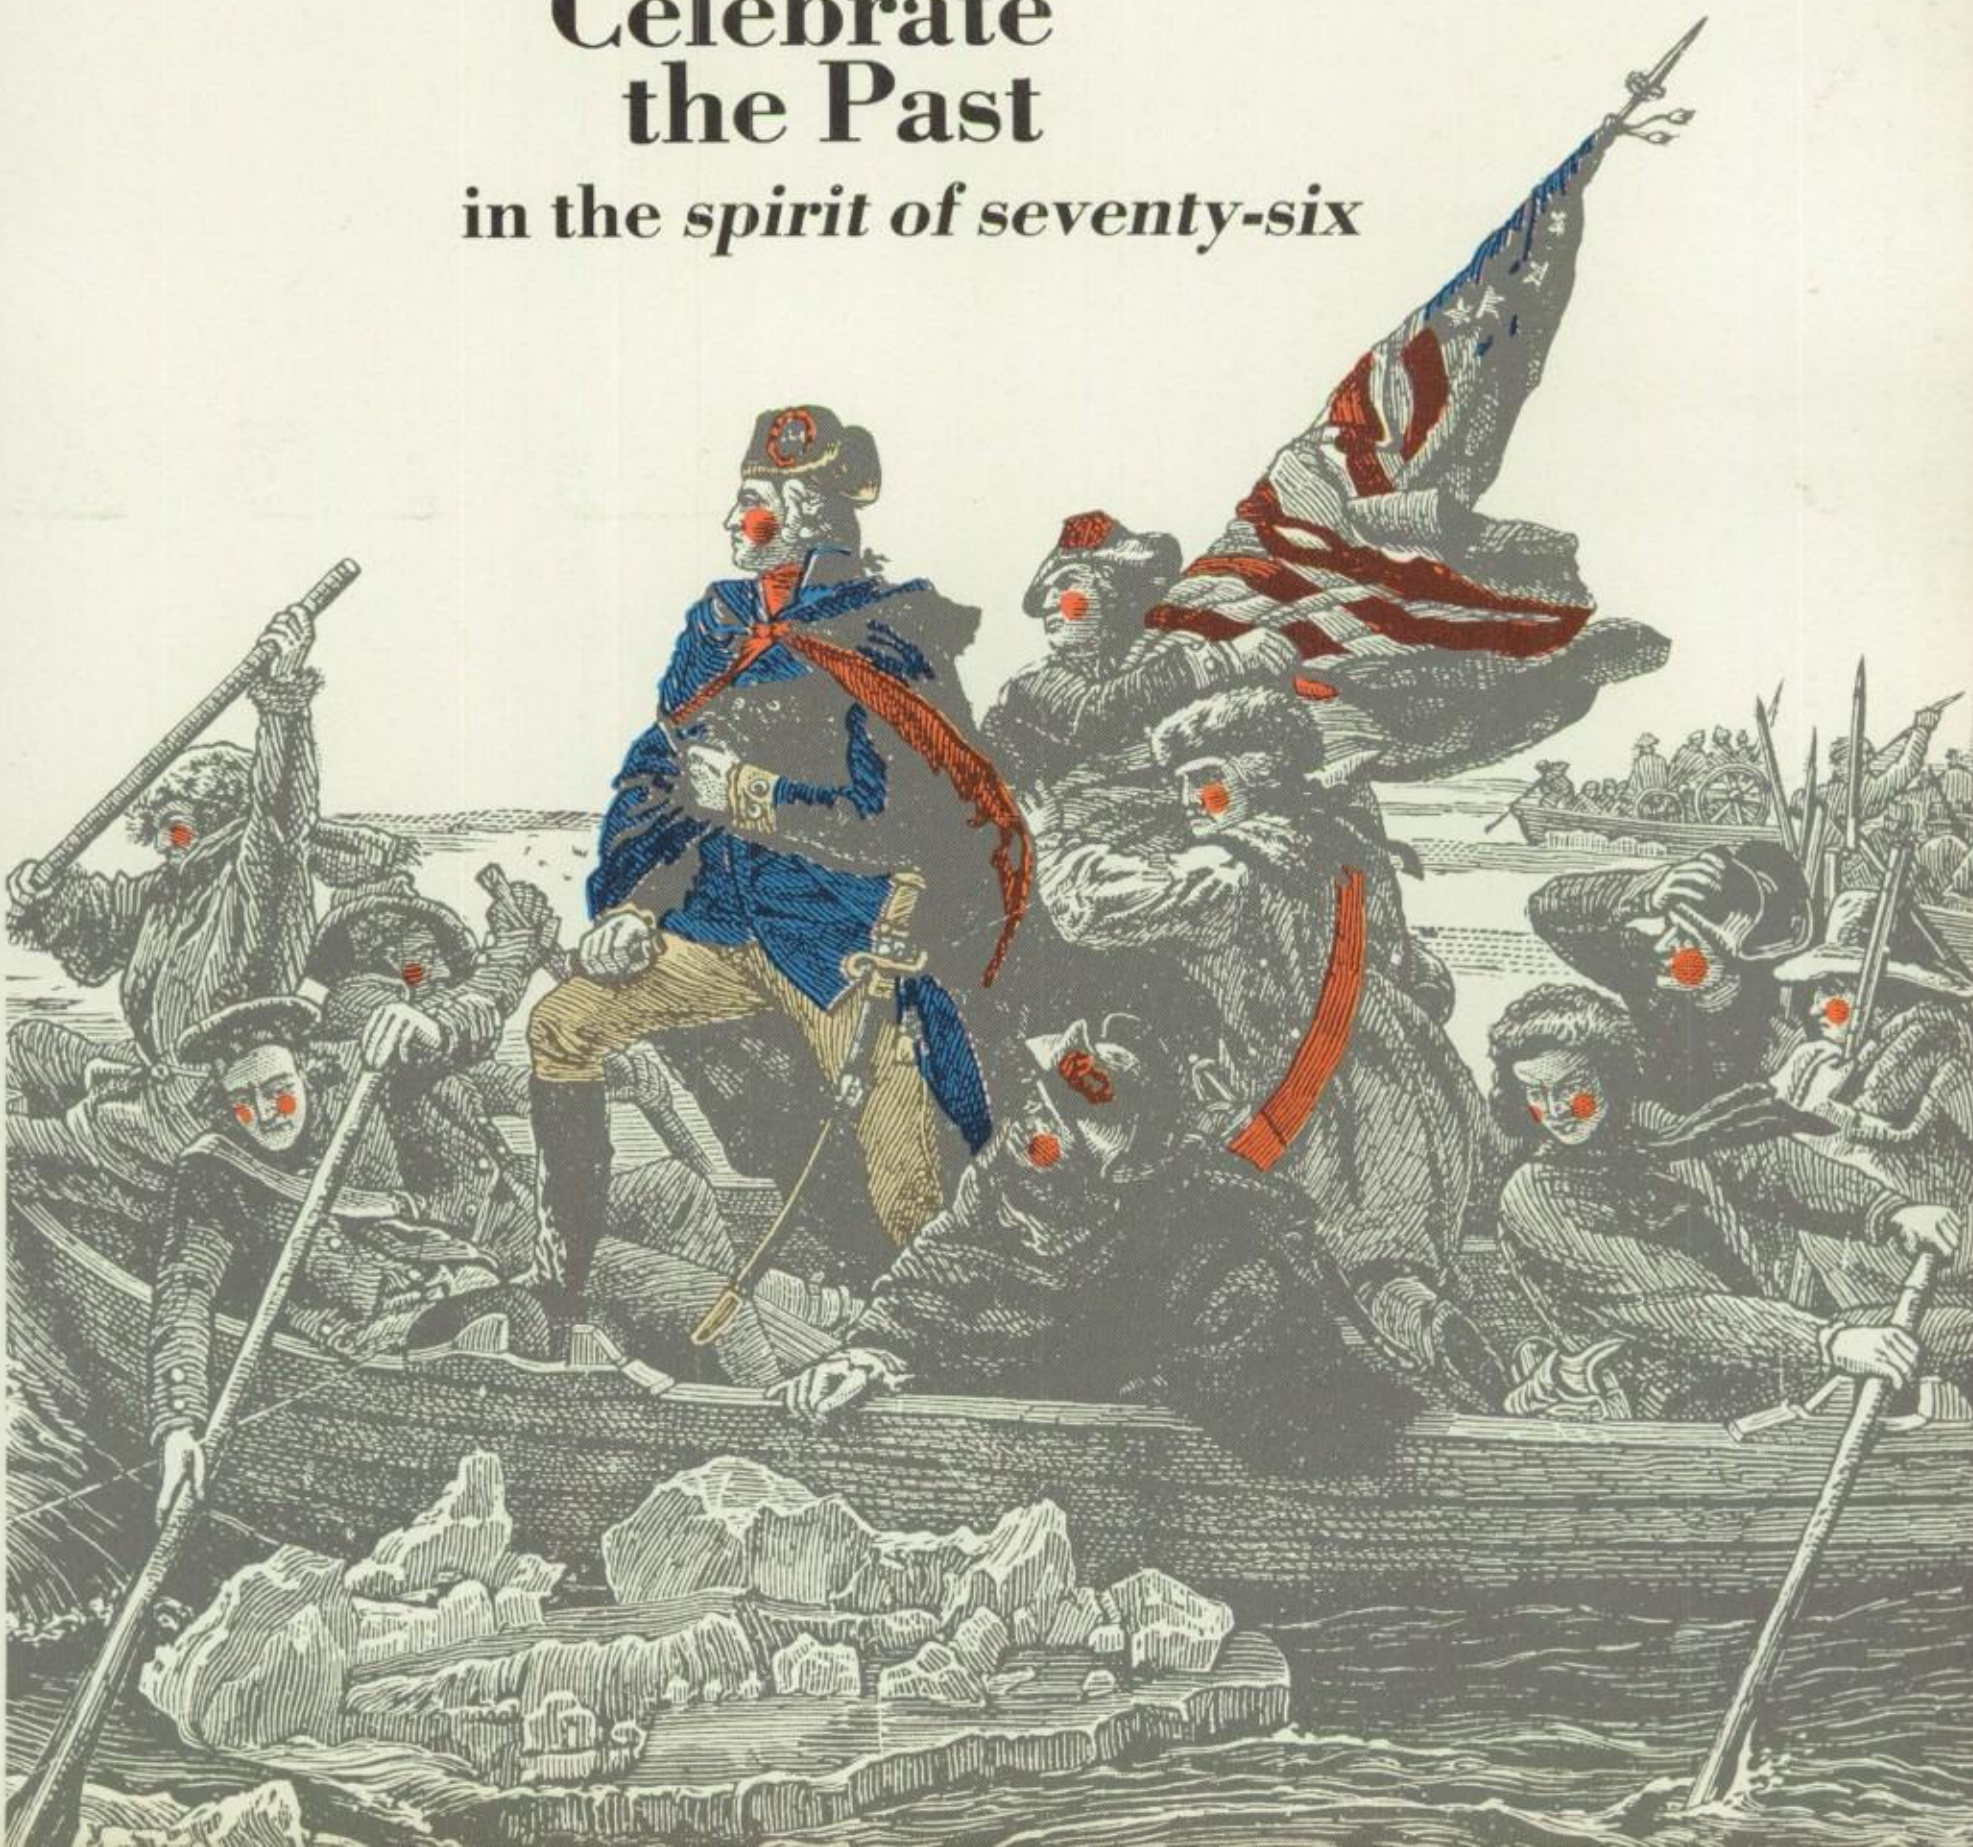
A teacher has to be a prophet who can look into the future and see the world of tomorrow into which the youth of today must fit.

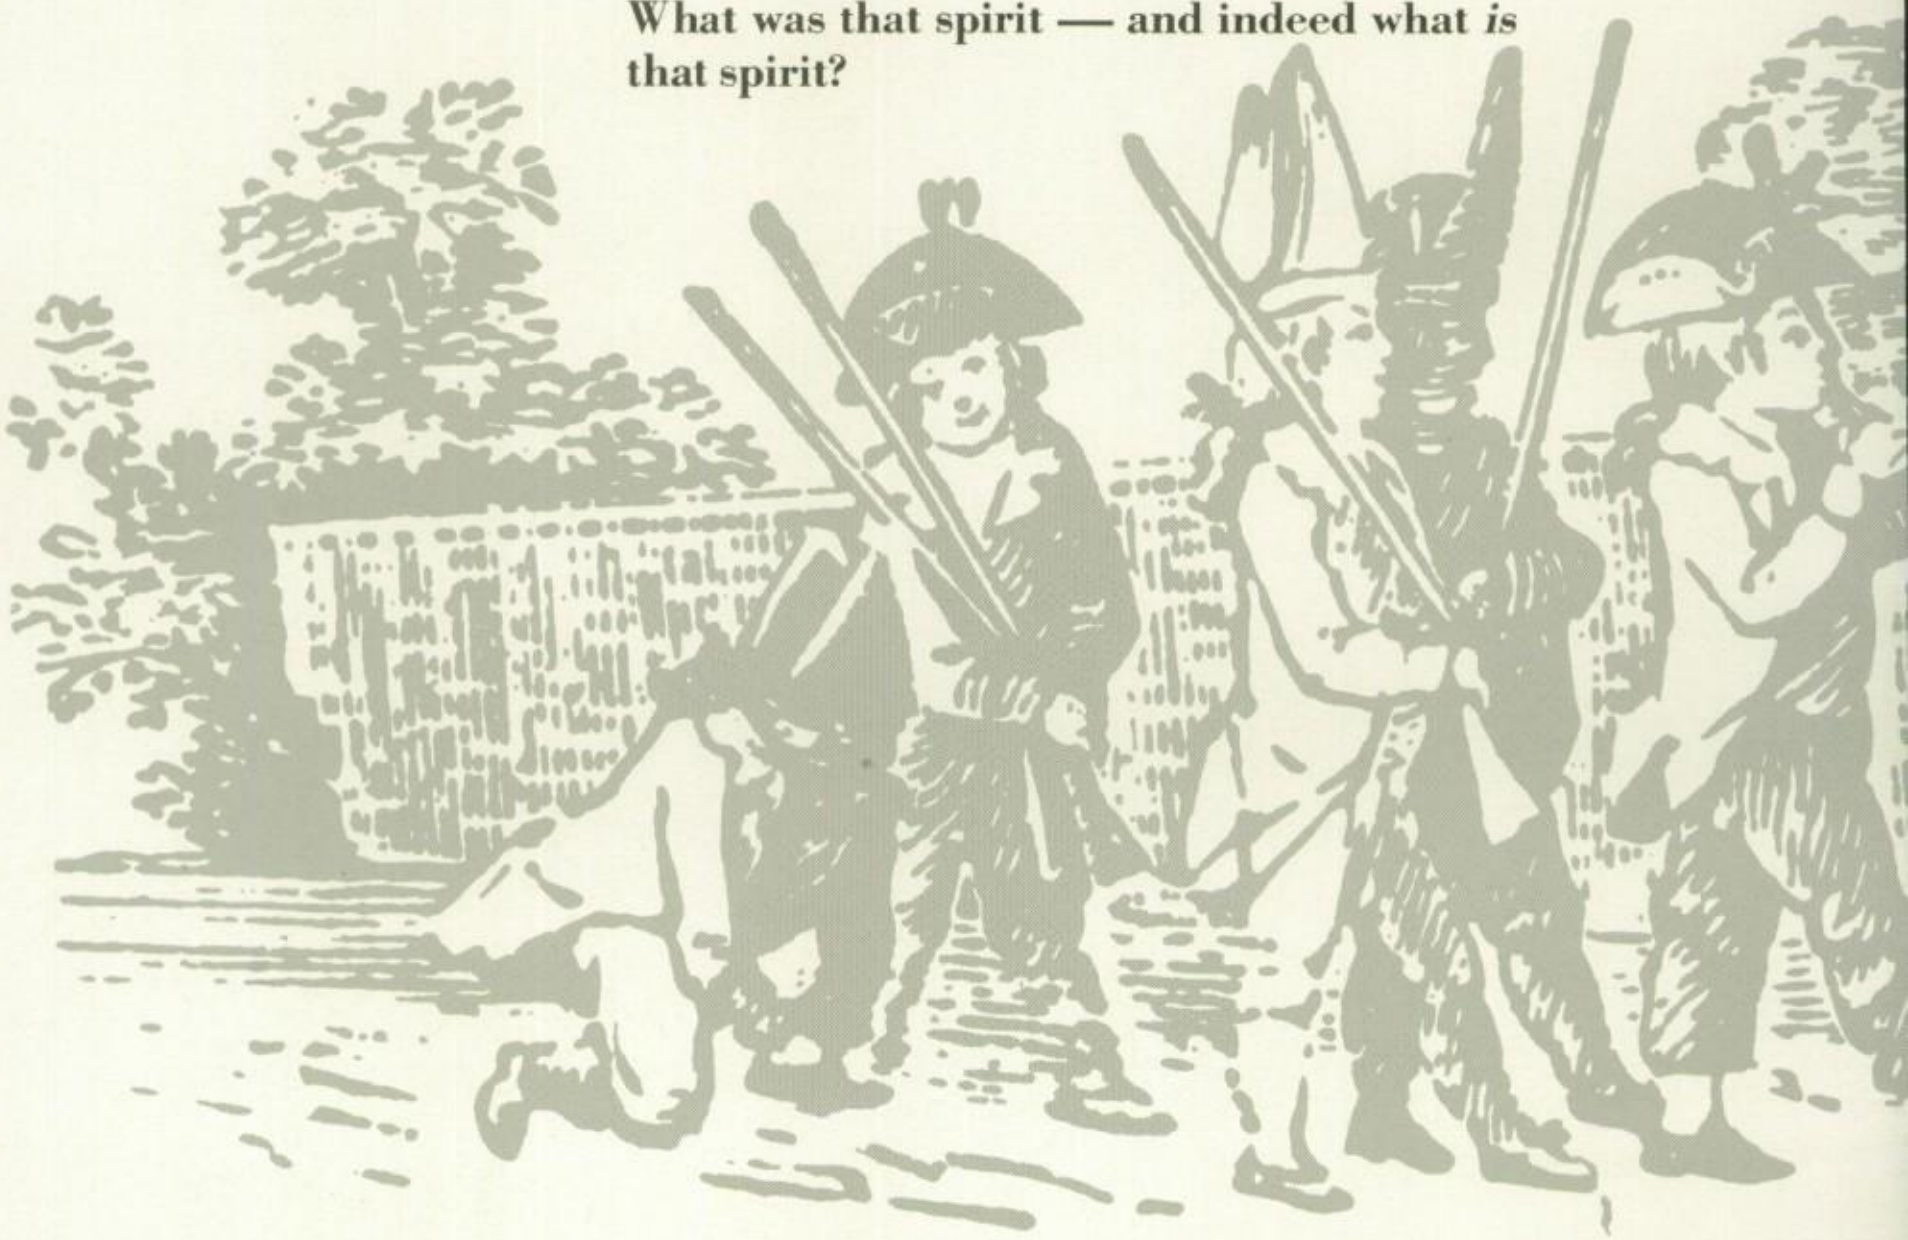
We Celebrate the Past

in the *spirit of seventy-six*

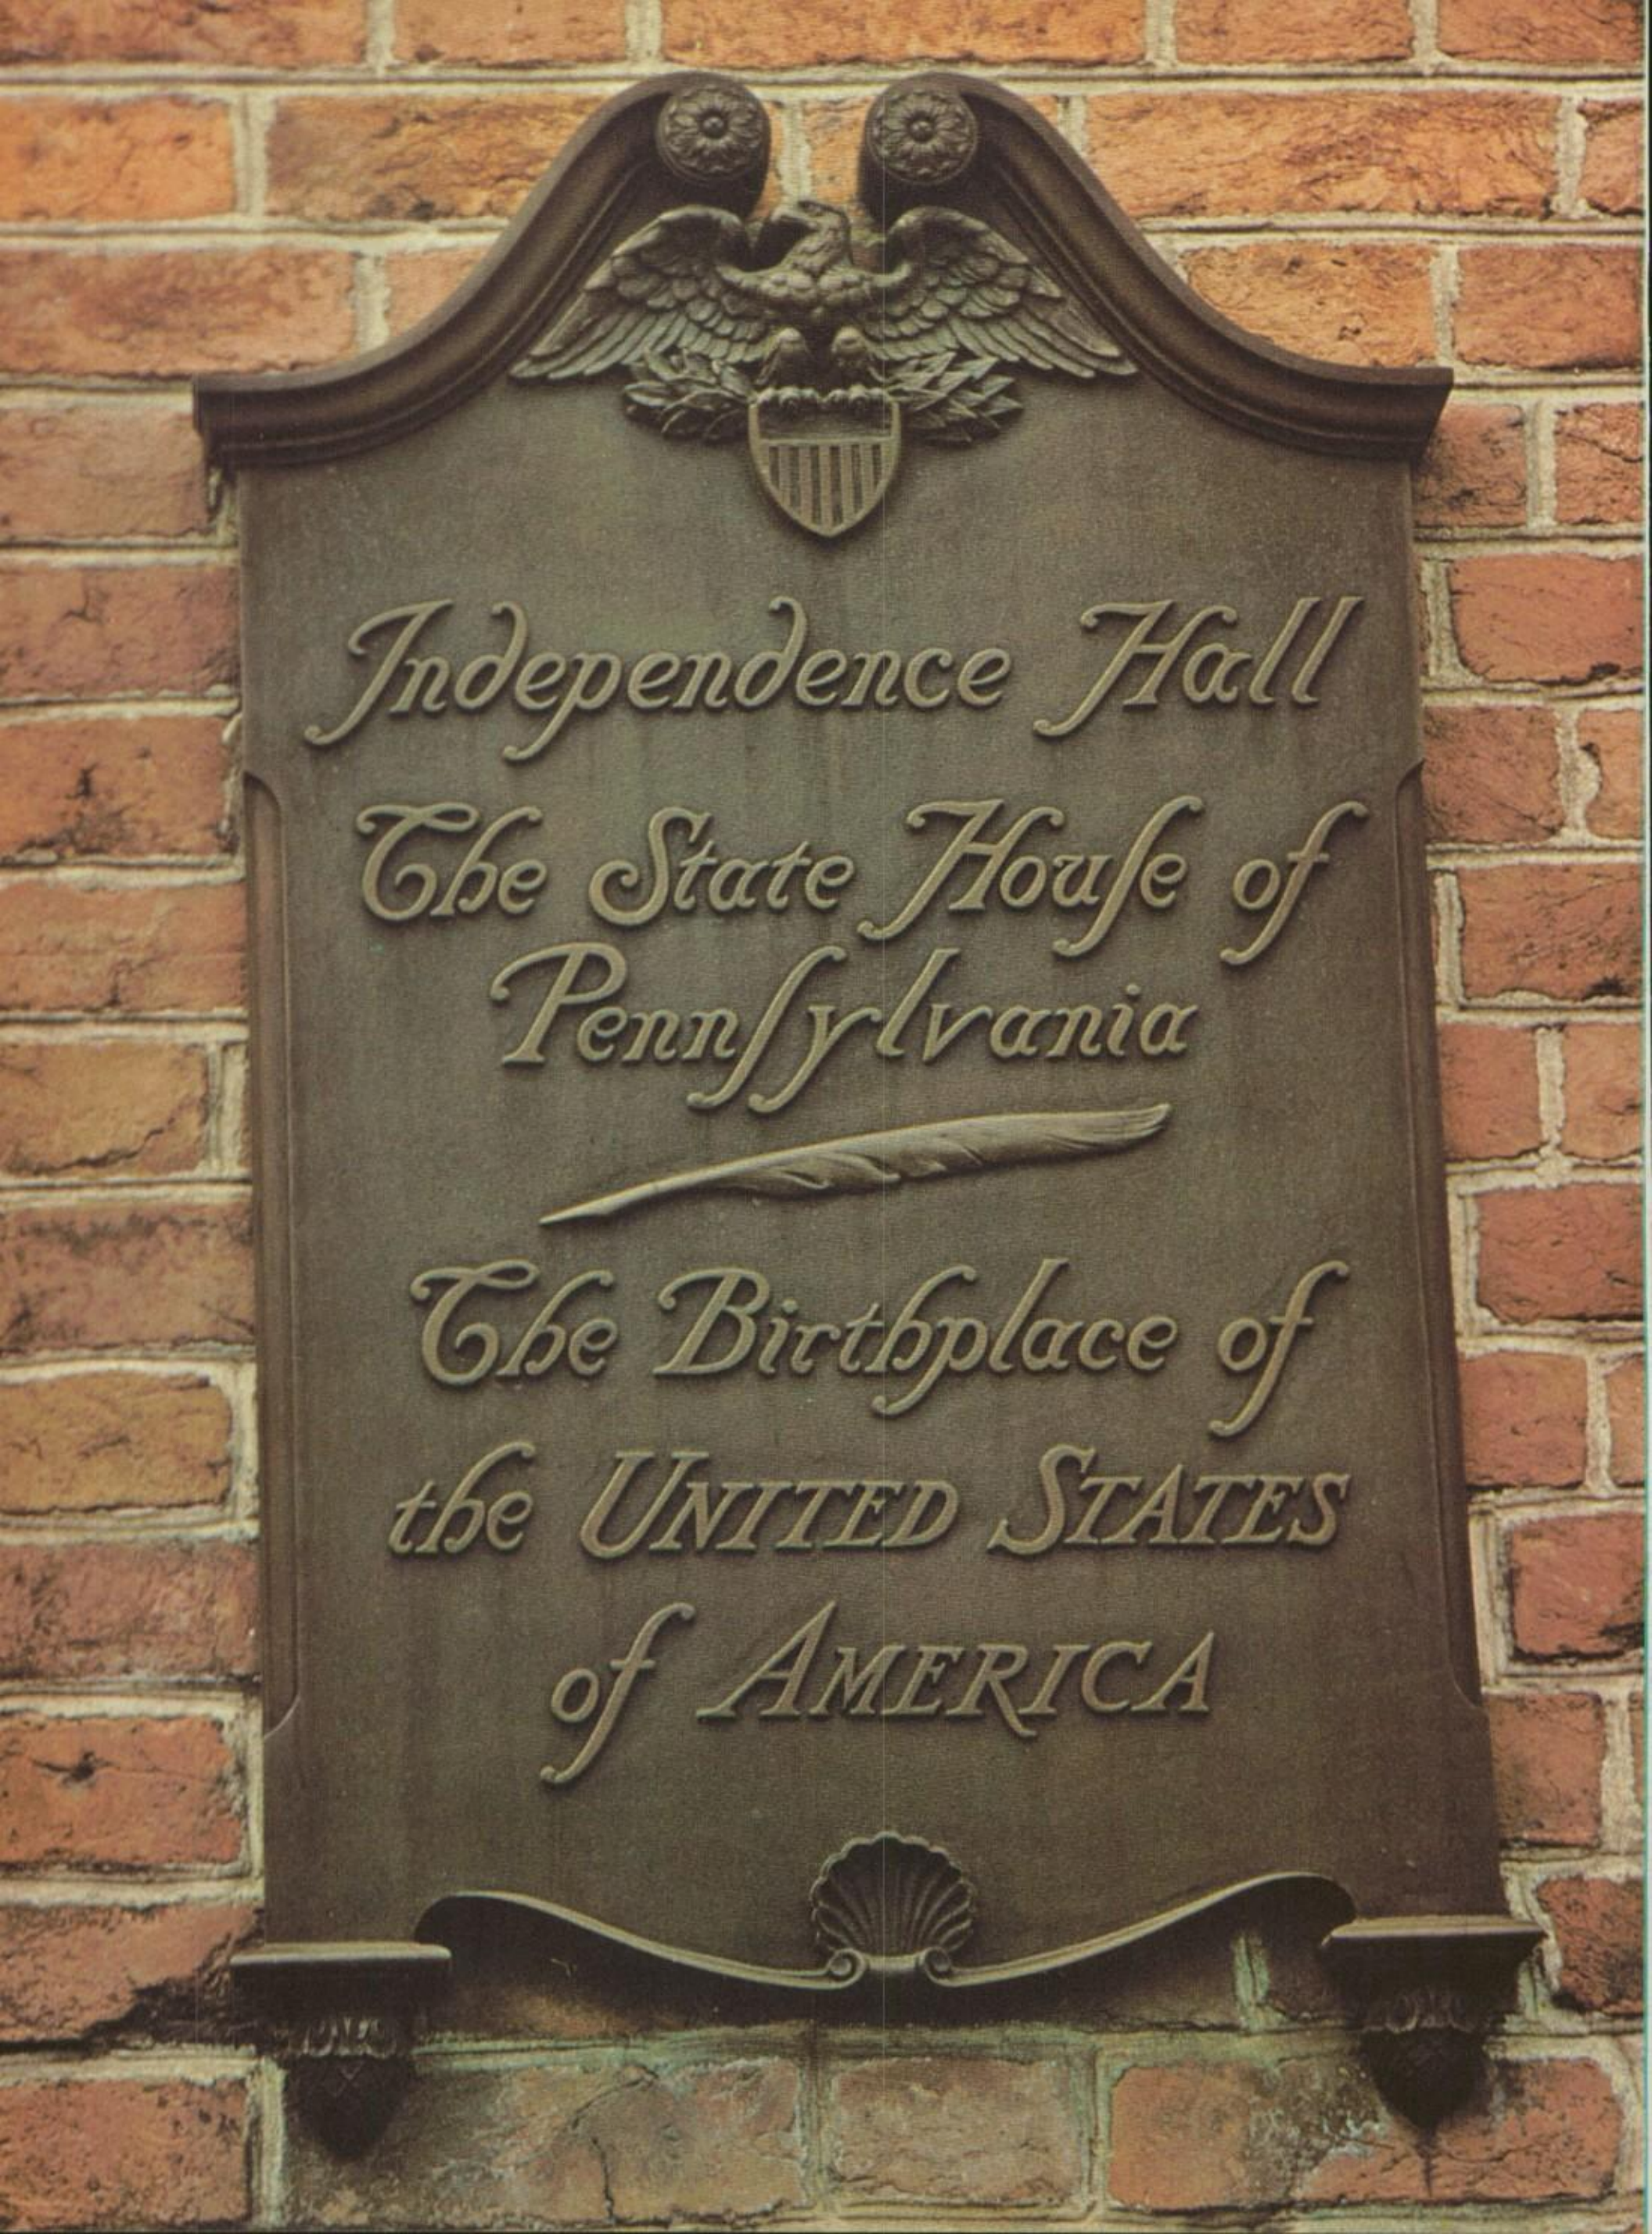


There was an enormous force which strengthened the colonies, which exists today, and which has carried America through its great history. That force is known to us all to be the *"Spirit of '76."*

What was that spirit — and indeed what *is* that spirit?



It is a *SPIRIT OF LIBERTY* and the knowledge that one man's freedom is more important than anything else on earth.



Independence Hall
The State House of

The Birthplace of

of America

It is the *SPIRIT OF SACRIFICE* — of sharing burdens and conflicts.

It is the *SPIRIT OF OPTIMISM* of knowing that we can always make things better — of working only for the best, and expecting only the best.

It is the *SPIRIT OF CONFIDENCE* — of not being constrained by earthly boundaries and of the certain knowledge that man can master his fate.

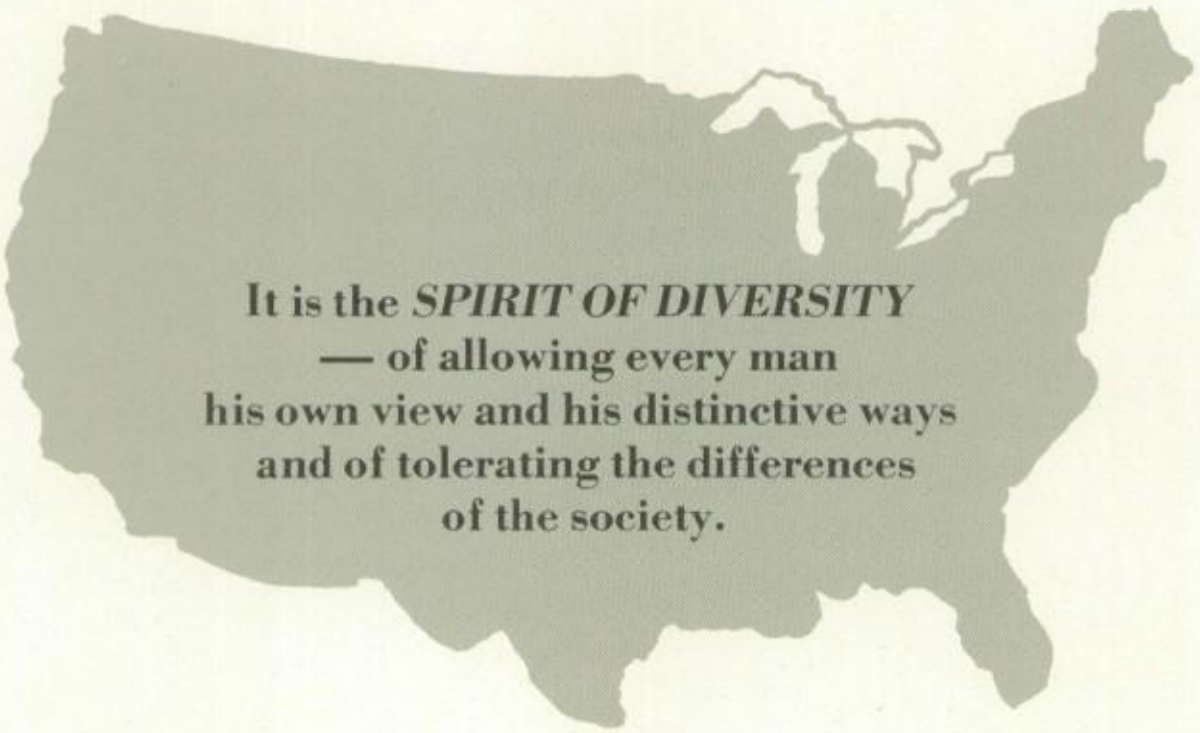
It is the *SPIRIT OF FRONTIER* — of not fearing to go where man has not reached.



It is the *SPIRIT OF DIVERSITY*
— of allowing every man
his own view and his distinctive ways
and of tolerating the differences
of the society.

Indeed the *"SPIRIT OF '76"* was, and is, many things,
each of which has been a building block
of our national greatness.
Our country grew on that spirit
and prospered on that spirit.
When all else fails
it is that spirit that will be there to guide us
and keep us strong.

J. B.

Life does not offer to many good things anymore, seems like death constantly calls me. But i always manage to survive. And my survival comes from people like you, people who care about us "NOBODYS" — Thanks for pulling me through prison doors, stone walls and dungens. Admiration lies through just causes, Freedom lies through individualism, Friends lie period. But now that I have the moon, I can understand why I want the stars. Best? there is no such word. J.B. youre the greatest. (sr. councilist that is) And youre one hella friend. Ill always remember you no matter what, where, or when I do, it will be *because I know a guy who loves life. A messiah in his own way. J.B. If I turn out bad in the world its my fault. But if I turn out good in the world its your fault. The question is "TO BE OR NOT TO BE", Either I'm crazy and the world is straight or I'm the only living smart one and the rest of the world is crazy... J.B. you made my senior year meaningful and to that I'll drink one, or two or etc..... Thanks for all that you've done

I'm forever in debt to you.

FRESHMEN

Since this was the Freshmen's first year of "high school," there were a lot of nervous students going around school. There were also a few happy students, but we all adjusted. The Freshman class of '75-76 lost on all the Homecoming competition, except the Spirit Award, in which we took second place. We learned to keep our pride and congratulated the winners.

We would like to thank our sponsors for their encouragement.

With taking pictures, selling ads,
Depleting countless memo pads,
Arranging layouts, writing lines,
And starting over many times,

With covering all the school ball games,
And classifying pupils' names,
Enlarging, cropping photos down,
And taking them all over town,

With staying up to half past one
'Til copy reading was all done,
With writing headlines til we're beat,
And trying to those deadlines meet,

We're all worn out from so much work
Which nearly made us go berserk
While doing homework on the run,
But still we've had a lot of fun.

We'd like to say that, now we're through
We're very proud to give to you
This record of the year gone by

CHEERLEADERS

In the spring of last year ten girls were chosen to represent Central High School as Cheerleaders. This meant painting signs, long trips, and practicing hard. They realized this was all a part of being a C.H.S. Cheerleader and they worked hard to make this statement hold true.

A lot of work was involved and they came to understand that cheerleading was more than an honorary position.

Student Council

Students, teachers, and administrators share in the rights and responsibilities of a school community. Student Councils, by representing students' needs and interests to educators and by developing programs to meet those needs and interests, contribute very significantly to making the community "work." Most educators recognize that an active student council can greatly increase oppontunities for learning and growth among the students in their schools. Through student council activities, students participate in social, academic and citizenship experiences that will enrich, develop and exercise civic responsibility in the school and community, as they make choices, plans and carry out programs.

This year we have sponsored the following: Student Council Installation; Coordination of Homecoming Activities; Assemblies for skits, teacher talent show, awards assembly; Spring Social; Christmas Door Decoration Contest; Game Day; King and Queen of Hearts Coronation. We also gave food to needy families at Thanksgiving and Christmas and worked with the Cancer Society and March of Dimes.

As the school year comes to an end, we are all a step higher in life and a step closer to the long awaited goal — graduation '77.

Our Junior year has been full of hard work, months of learning, and lots of fun. We have had victories and defeats, but we have learned from our mistakes. We want to remember the good things, the bad things, and the everyday things with no regrets, because it is all history — we can't relive another second of it. With this in mind, our last year as underclassmen has been an overall successful one.

Seniors of '76

Our graduating senior class was united in this bicentennial year. We will always remember the good times, the hardships, the classmates, and the teachers!

We would like to give special thanks to all the teachers who gave their time and support in making it a great year . . .

There are places I'll remember all my life,
though some have changed.
Some forever, not for better,
Some have gone and some remain

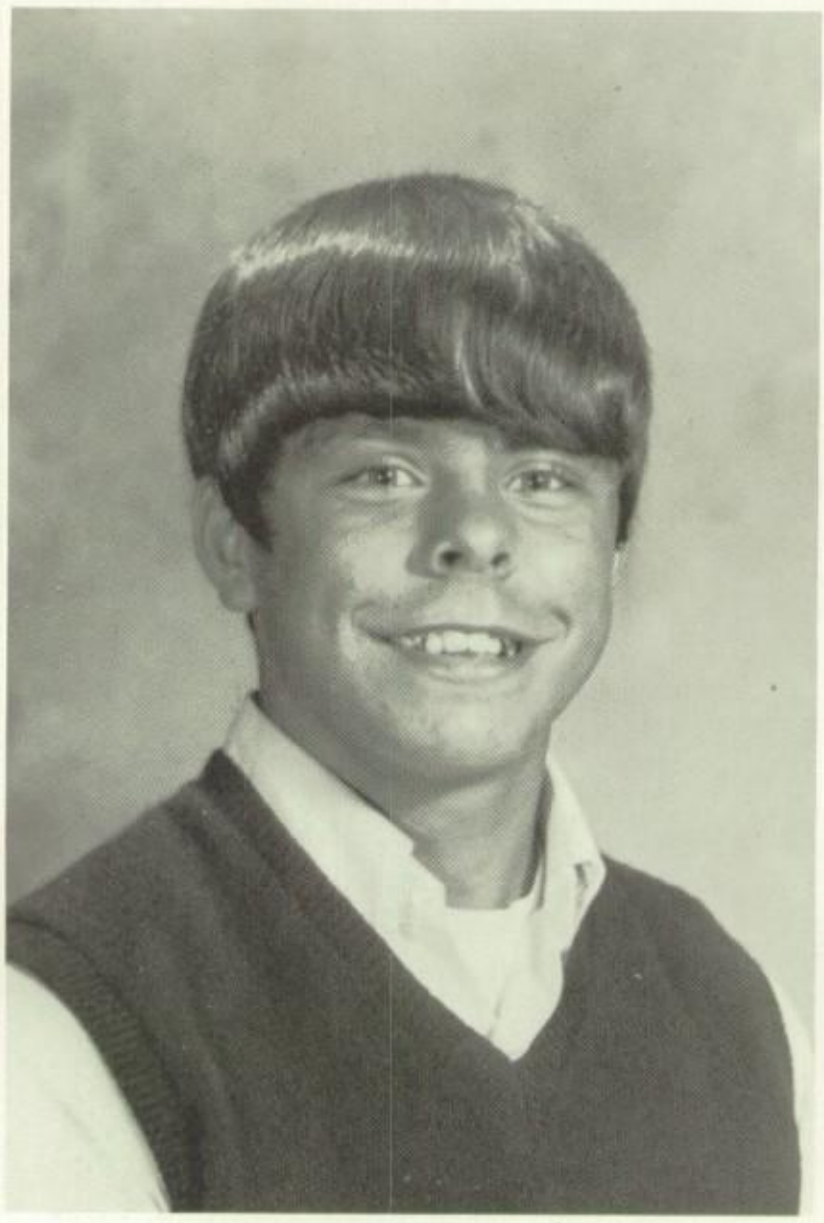
In Memory of

Mark Lamar Cook

Born: May 14, 1957
Died: June 14, 1973

The Senior Class of 1976 would like to pay tribute to one of our class mates who left us during our Freshman year. Mark Cook was an outstanding athlete and was loved by everyone who knew him.



"The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures: He leadeth me beside the still waters. He restoreth my soul: He leadeth me in the paths of righteousness for His name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for Thou art with me; Thy rod and Thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies: Thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever."

Psalm 23

We "The Seniors of 1976" would like to take this opportunity to express our gratitude and thanks to all of our teachers who took the time to come out and help us with our Homecoming float — for their support, for their patience and for their good sense of humor throughout it all.

We would like to give a very special thanks to Mr. Jack Farrar, Mr. Phillip Love and Mr. Robert Scarbrough for their time and help on what we feel to be the best float we have seen in a long time.

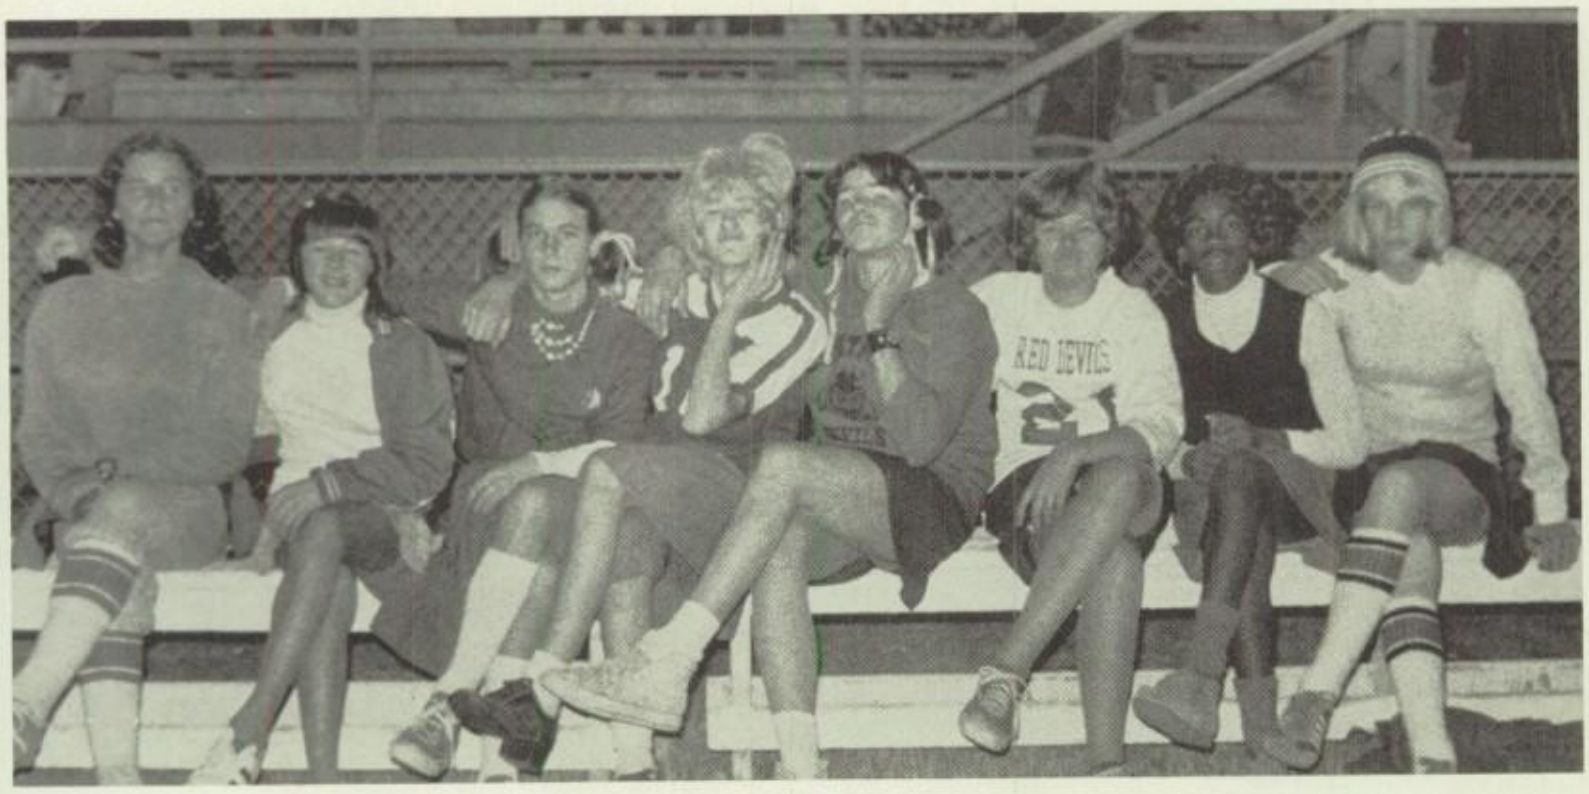
POWDER PUFF '76

Powder Puff football is held each year to raise money for the classes and athletic department. The teams practice after school, beginning only a week before the game. Football players from each class help to coach the girls. Everyone practices hard and all have a great time, especially the cheerleaders.

The Freshman and Sophomore teams played first. The game ended 8-0 and the Freshmen experienced their first victory. This was the Sophomores second defeat.



Powder Puff Queen:
Ms. Audrey Cochran and her (?)
escort Cid Dades.

The Juniors and Seniors played the second game. The Seniors came out on top, which gave them a record of 4 wins and no losses. Juniors now have a 1 win 2 loss record.

This group of cheerleaders had a blast!

After the game was a dance sponsored by the BETA Club. The band Gemini played, Terry Trawick played records and gave away prizes.

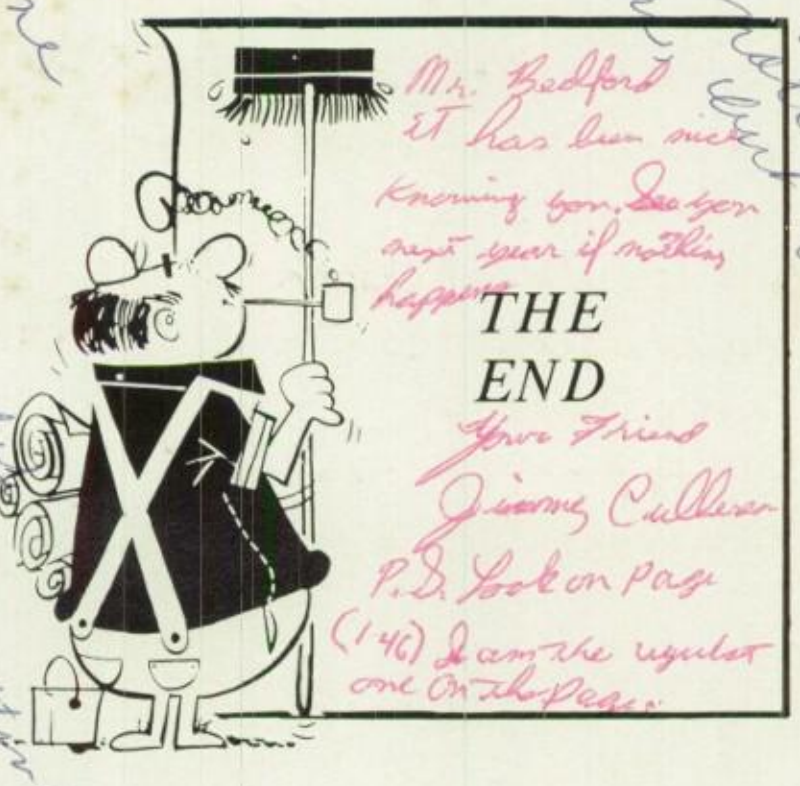
Autographs



Mr. Bedford
It has been nice knowing you. See you next year if nothing happens
THE
END
Your Friend
Jimmy Culleen
P.S. Look on page (146) I am the ugliest one on the page.

This final page . . .

concludes a yearbook that is not a summary of your year at C.H.S., but of A year at C.H.S. Not everyone will find memories brought back by each picture. Yet, hopefully, one of the many students involved in making this past year happen will find a moment hidden within the pages to make him smile.

Without the co-operation of Mr. Kirkland, the teachers and especially Mrs. Matt, the completion of this book would not have been possible. If anyone deserves thanks, it would be Roger Harrison, of School Pictures, Inc. for the time he spent with us making all those crazy pictures.

Love,
Doug O.

Mr. Bedford.
Thank you for everything.
I can sit down and write
a million words. But none of
them will express my feeling
for you. You are a very nice,
sweet & intelligent young man
who care about everybody &
everything. You for one shall
go far in life, and I for one
will remember you just the way
you are (cute, sweet, nice).

Mr. Bedford,

You have been one of the best friend I have every had had. You have helped me this year more then anyone ever had. Thank you for coming to Central high. Hope to see you a lot in the future.

I Love You
Dear Hall

Mr. Bedford,
I've enjoyed working in the office with you. Behave during the summer!

Sharon
Nip

J.B.,

To me you are the greatest counselor C.H.S. has ever had. I just met you in "75" but it seems like all my life. I only wish that I hadn't disapointed you the way I did. Maybe one day I can make up for those mistakes. I really appreciate that favor you did for me over the phone. Let's get together sometime and go to the pike or something. (Ant!!)

Be Good.
